Installation Instructions

ASK002 **Air Shift Mounting Kit**

Included in Kit:

- (1) Bracket
- (1) Upper Mounting Bracket
- (2) Screws, 1/4-20 x 1/2 HEX Cap
- (2) Lock Washers, 1/4
- (4) Screws, 8-32 x 3/8 Pan Head Phillips
- (4) Lock Washers, #8

Installation

1. Attach bracket to Buyers Products B-series shifter using two 1/4-20 screws with 1/4 lock washers. Insert screws through non threaded holes in bracket. The top of the bracket should fit snugly under top plate of the shifter.

2. Place upper mounting plate onto bracket, aligning the holes and openings.

3. Place decal plate (provided by manufacturer) on top of the black plate. Insert Muncie/Chelsea style shifter through opening in plate and bracket. Secure shifter on plate using four 8-32 screws and #8 lock washers. Use holes located closer to opening for Muncie valve and holes located closer to the edges of the black plate for Chelsea valve.

4. Insert light assembly through 11/16 hole in plates and bracket.

5. Complete all necessary wiring, line and cable connections.

6. Install completed assembly into Buyers Products BTD dual lever console tower assembly.

WARRANTY

Buyers Products Co. warrants all truck/trailer hardware manufactured or distributed by it, to be free from defects in material and workmanship for a period of one year from date of shipment. Parts must be properly installed and used under normal conditions. Any product which has been altered, including modification, misuse, accident or lack of maintenance will not be considered under warranty. Normal wear is excluded. The sole responsibility of Buyers Products Co. under this warranty is limited to repairing or replacing any part or parts which are returned, prepaid, and are found to be defective by Buyers Products Co. Authorization from Buyers Products Co. must be obtained before returning any part. No charges for transportation or labor performed on Buyers' products will be allowed under this warranty.
